Troop 21 uses the flag program as a fundraiser to support troop activities. Every family is required to participate. If you did not sign up, a date for a holiday flag route will be assigned to you. Your family has the responsibility for putting up and taking down flags on the date and route shown above. If you are unable to fulfill this commitment, please find a replacement and notify the flag coordinator of the change. This calendar is designed to give you ample notice of your assigned date. Please write the date on your calendar or post it wherever you display important information. A procedure sheet is available online and you should refer to it at least two weeks before your scheduled holiday. Your flag coordinator will contact you shortly before the holiday to provide you with the flag storage lock's code, route directions and the flag procedure via e-mail. Route directions will also be provided at the flag storage location.

Thank you for supporting Troop 21!
