I have selected a family within your group to be in charge of contacting families to set up a time to meet for flag pick up and drop off. They will be in charge of opening and closing the Backstrom storage facility. If your name is in **bold italic & underlined** you are the contact family. **The key and route lists may be picked up from the flag coordinator at the meeting prior to the flag holiday and returned at the meeting following the flag holiday.**

Troop 21 uses the flag program as a fundraiser to support troop activities. Every family is required to participate. If you did not sign up, a date for a date for a holiday flag route was assigned to you. Your family has the responsibility for putting up and taking down flags on the date and route shown above. If you are unable to fulfill this commitment, please find a replacement and notify the coordinator of the change. This calendar is designed to give you ample notice of your assigned date. Please write the date on your calendar or post it wherever you display important information. A procedure sheet is available online and you should refer to it at least two weeks before your scheduled holiday. Your contact family will contact you shortly before the holiday to schedule a time for flag pick up and drop off. Route directions are available online and will also be handed out when flags are picked up. All holiday flag information including this calendar, route information and procedures is available online on the troop website at <http://www.bsat21.org/holidayflags> Just copy and paste this address in your browser's address bar.

Thank you for supporting troop 21
